All About Flooring. **All About You.**

nora® Technical Academy

Where Exceptional Performance Begins.

Why attend the nora® Technical Academy?

The objective of the nora® Technical Academy is to:

- provide you with the latest industry developments
- further train your flooring installers so they may provide professional, skilled flooring installation services to your customers
- eliminate installation failures and the need for costly repairs.

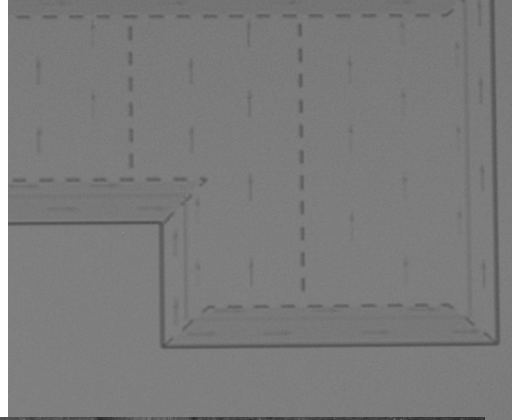

What are the advantages of attending the nora Technical Academy and what will the attendees receive?

Attendees will learn about:

- the latest installation techniques
- the latest industry standards - including new moisture testing methods and equipment
- sub-floor preparation
- extensive hands-on training

Each attendee will receive a nora installation pack and a photo ID card confirming their status as a nora Approved Installer, identifying each aspect of nora installation which they have successfully completed, including:

- Cutting In
- Cold Weld
- Seam Cutting
- Flash Coving
- Stairtreads
- nora dryfix
- Sanitary Base
- Adhesive Methods
- Heat Weld

Automatic renewal of the photo ID card is subject to any additional training for new installation techniques.

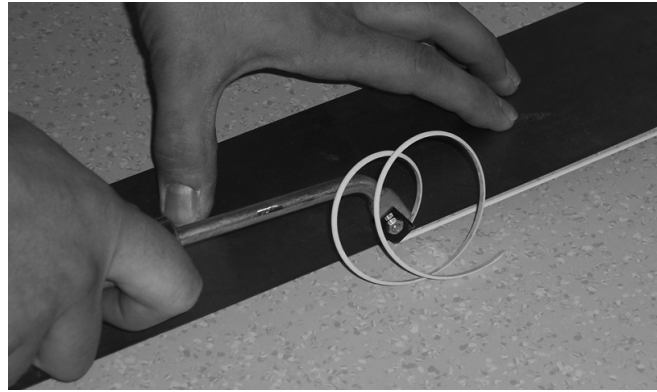

Who is eligible to attend the nora Technical Academy, how long is the class and will attendees need to bring anything?

The nora Technical Academy is for experienced flooring installers.

12 attendees are accepted per class and each class is held over a period of 2½-days:

- Day 1: 1:00 pm – 5:00 pm
- Day 2: 8:00 am – 5:00 pm
- Day 3: 8:00 am – 3:00 pm

Attendees should bring a basic tool kit. Specialized tools will be provided.

Is there a cost to attend the nora Technical Academy and how can I register my installers?

There is a \$400 registration fee per attendee, which will only be refunded upon completion of training. If a registered attendee cannot attend the training, you may send a substitute. *Refunds will not be provided if you cannot fill the space.* Airfare costs and flight arrangements are the responsibility of the attendee. nora will pay for the following expenses:

- transportation to and from the airport, hotel and nora Technical Academy
- hotel stay
- meals
