

nora[®] Pads 0,1,2 and 3

MAINTENANCE

nora[®] Pads 0, 1, 2 and 3 are part of the nora pro clean[®] system, which eliminates the need to use harsh, unfriendly cleaning detergents on your nora[®] premium rubber flooring. The combination of nora's unique, dense, nonporous and dirt-repellent surface, water and our exclusive nora Pads provides a more cost-effective and sustainable cleaning solution. The continuous use of this system will make your nora flooring more resistant to scuffs and staining over time.

- Intended for use with commercial cleaning machine by maintenance professionals
- For use only on nora rubber flooring
- Available in a variety of sizes.
