RUBBER FLOOR COVERINGS
AND ACCESSORIES 2019

nora®
by Interface®
MORE THAN A SURFACE.

Imagine an environment that’s more comfortable, safe and quiet with every step.

That’s an idea worth hearing. In fact, we build our products around it. For decades, we’ve been listening to your needs and responding with sustainable rubber flooring that makes sense for your facility.

Noise absorbing, ergonomic and stain and slip resistant, nora® premium rubber flooring goes beyond your basic requirements. Safety. Comfort. Ease of maintenance — no coatings required. Style. Who says you have to sacrifice one for the other? With more than 300 colors and styles available, we merge function and aesthetic appeal to meet the important demands of your facility.

Our flooring is more than a surface. It’s a statement — and a solution.
TWO PRODUCT LINES – ENDLESS POSSIBILITIES.

norament®
A classic among rubber flooring products, norament® represents premium quality and ultra-functionality. Robust norament tiles have a highly dense and non-porous surface, making them exceptionally durable. Because of its ability to withstand the pressures of heavy traffic, norament flooring will show little to no signs of wear or loss in appearance, even after decades of use. norament is recommended for areas subject to high traffic and intense strain.

noraplan®
The noraplan® system offers enhanced acoustic, ergonomic, slip and stain resistant qualities, making it the ideal choice for an array of application areas. With unlimited design options and a coordinated range of accessories, noraplan is available in tiles or sheets. From patient rooms to classrooms, your important spaces are safely supported for decades to come.

norament® 926/825 round

One-colored, classic round pastille surface for use in extremely heavy (926) and heavy (825) traffic areas.
norament® 926 round

Art. 354
~40" x 40" [1004 mm x 1004 mm]
~.02" (.5 mm)
~.14" (3.5 mm)
~.16" (4.0 mm)

These colors can also be delivered as:
Stairtread norament® round, page 44

norament® 825 round

Art. 1902
~20" x 20" [501 mm x 501 mm]
~.02" (.5 mm)
~.11" (2.7 mm)
~.13" (3.2 mm)

Lacuks Spielwarenladen, Riga, Latvia

~ English standard measurements are approximates.
norament® arago

Flat, direction-oriented relief structure with fine granules and modern marbling design for maximum demands. No two tiles are the same - each square meter is totally unique.

Variations in color and design, even within one production batch, define the product's aesthetic character.

These colors can also be delivered as:

Also available with nora® nTx, pages 30-32

~ English standard measurements are approximates.
norament® grano

A granular design rich in contrast with a hammerblow surface for use in extremely heavy traffic areas.

norament® grano
Art. 1880
~40" x 40" (1004 mm x 1004 mm)
- .14" (3.5 mm)

norament® grano nTx
Art. 3111
~40" x 40" (1004 mm x 1004 mm)
- .14" (3.5 mm)

norament® grano
Art. 1912
~25" x 25" (625 mm x 625 mm)
- .14" (3.5 mm)

~ English standard measurements are approximates.
These colors can also be delivered as:

- Special flooring norament® grano ed electrostatically dissipative, page 37
- Special flooring norament® grano ed electrostatically dissipative for raised access floors, page 37

| Art. 1650* | ~49" x 48" (1.50 m x 1.22 m) |

---

NOTE: Available with nora® nTx. Minimum quantities required; see pages 30-32.

NOTE: Granite is a natural product. For this reason, slight color deviations may occur in the stone even within the same batch.

~ English standard measurements are approximates.
Imagine a floor covering that brings the beauty and comfort of the natural world indoors. A room that exudes the intuitive warmth, light and calm so hard to find in today’s busy world. Envision a perfect moment tailored just to you. Perhaps it’s a glimpse of blue sky out of your window or the glow of your living room, illuminated by morning light. Maybe it’s the hush of the ocean nearby. Imagine a flooring that makes you feel at home.
noraplan® valua 2.0 mm

- Noraplan® Valua 2.0 mm

- Art. 175A

NOTE: Available with nora® nTx. Minimum quantities may be required; see pages 30-32.

~ English standard measurements are approximates.
Beveled plank edges offer a natural, individual look that is easy to clean and maintain. Heat welding is not required, allowing for ease of installation while providing a hygienic seal.
Three plank sizes. Unlimited possibilities.

Planks

- 24” x 8” (610 mm x 205 mm)
- 24” x 12” (610 mm x 305 mm)
- 48” x 16” (1220 mm x 405 mm)

Example installations

- noraplan® valua plank 2.0 mm
  - Art. 272A
  - 24” x 8” (610 mm x 205 mm)
  - Art. 273A
  - 24” x 12” (610 mm x 305 mm)
  - Art. 274A
  - 48” x 16” (1220 mm x 405 mm)

- noraplan® valua plank 3.0 mm
  - Art. 275A
  - 24” x 8” (610 mm x 205 mm)
  - Art. 276A
  - 24” x 12” (610 mm x 305 mm)
  - Art. 277A
  - 48” x 16” (1220 mm x 405 mm)

- noraplan® valua plank with nora® nTx 2.0 mm
  - Art. 211B
  - 24” x 8” (610 mm x 205 mm)
  - Art. 212B
  - 24” x 12” (610 mm x 305 mm)
  - Art. 213B
  - 48” x 16” (1220 mm x 405 mm)

- noraplan® valua plank with nora® nTx 3.0 mm
  - Art. 214B
  - 24” x 8” (610 mm x 205 mm)
  - Art. 215B
  - 24” x 12” (610 mm x 305 mm)
  - Art. 216B
  - 48” x 16” (1220 mm x 405 mm)

Custom sizes available upon request.

~ English standard measurements are approximates.
nora® nTx

The new generation flooring system

nora® nTx is a new and innovative technology to streamline today’s installation system for nora® premium rubber flooring products. Because this high performance adhesive is factory-applied, nora nTx is as simple as it is ingenious. In a few simple steps, the flooring can be cleanly and safely installed and move-in ready immediately after installation. It can be laid on typical commercial concrete substrate or cement based patching and leveling compounds. It can even be installed directly on over most existing floorings. Even high levels of residual moisture in the concrete are no problem for nora nTx.

1 - Subfloor, or existing flooring surface
2 - nora® nTx 020 (primer)
3 - Protective film
4 - nora® floor covering with nora® nTx

The key advantages at a glance:

Reliable installation result
nora® nTx reduces installation problems: no bubbles, no residual indentations, no seams. Everything from a single source: 10-year-guarantee.*

Immediate usability
Avoid drying and waiting times. Installation is possible during ongoing operations, and the floor can be used immediately after installation.

High efficiency
The preparation of the floor and the installation of nora® nTx require only a few work steps – for more space in less time.

For all types of subfloors
nora® nTx is suitable for all common types of subfloors – ideal also for problematic subfloors and underfloor heating.

Use with residual moisture
Application in new buildings also possible with increased residual moisture in the subfloor.

Covering-over-covering installation
In the case of renovations, installation is possible directly over existing floor coverings in just a few steps.

* Valid for deliveries from 7/1/2017. 10-year warranty for the criteria given in our warranty conditions (to be requested at the address given, see Rear side).

Art. 467 — width ~6’

These colors can also be delivered as:
nora® QuickShip program

~ English standard measurements are approximates.
norament® satura stairtreads

Tone-on-tone granular design with a hammered surface.

These colors can also be delivered as:

nora® QuickShip program

~ English standard measurements are approximates.
nora® stair accessories

nora® rubber stair accessories are made from carefully selected raw materials, are impact and shock resistant, and do not break or shrink.

nora® banister trim

For landings and ramps.

nora® epoxy stair filler

Art. 500875
13.5 oz dual cartridge applicator with special mixer application tip.
Coverage: ~40 linear feet with a .25" bead.

nora® metal repair stair angle

Art. 6637
Piece Length: ~99.37" [2.5 m]
Screws: middle of hole to middle of hole ~2.5" [63.5 mm]

= English standard measurements are approximates.
**nora® stair nosings**

With a slide-in lip for installation on all types of staircases.

**nora® stepfix**

A revolutionary adhesive for norament® stairtread installations.

Specifically developed for nora® stairtreads, nora® stepfix makes installing stairtreads quick and easily manageable.

An odorless adhesive solution, nora stepfix is free of solvents, formaldehyde, asbestos, lindane, chlorinated biphenyls, pentachlorophenol, plasticizers or other toxic substances, and is also non-flammable and freeze-thaw stable. With nora stepfix, you can easily dry-fit the tread right on the covered adhesive, and stairs can be walked on immediately following installation. No caulking or welding is necessary.

Art. 502906
Dimension of rolls: 9.45" wide x 164' long (240 mm x 50 m)

**nora® visually impaired strips**

Textured or smooth striping for the visually impaired. Can be inserted into any one-piece nosing-tread riser stairtread.

Piece Width: ~2" (50.8 mm)

NOTE: When installing norament® stairtreads with nora® visually impaired strips, nora® epoxy stair filler must be used under the nosing of the stairtread during installation.

~ English standard measurements are approximates.
nora® accessories

Accessory range made of rubber matched to suit nora® floor coverings for convincing solutions both in visual and functional terms. The materials are impact- and shock-resistant, do not contain any plasticizers and retain their functional reliability long term.

nora® sanitary base

Easy to clean, suitable for areas with stringent hygienic requirements.

nora® wall base

The final touch to complete your flooring design.

nora® wall base provides superb flexibility, no color drifts, a ribbed backing and reinforced cove for extraordinary durability. nora wall base can also be custom color matched.

Art. 817 – S 3019 D
Piece Length: ~32.8’ (10.0 m)
* Conforms to ASTM F-1861 – Standard Specification for Resilient Wall Base, Type TP – rubber, thermoplastic.

Art. 820
Delivery unit: rolls of 120’

= English standard measurements are approximate.
nora® cold weld

It is advisable to seal joints in case of moisture-sensitive subfloors, in rooms permanently undergoing intensive wet cleaning or in areas with special hygienic requirements. For these special requirements, the sealing of all norament® and noraplan® floorings is suitable, with the exception of norament® 992 and norament® 992 grano.

1-PART

Art. 928 ~450 grams/~1 lb
Sufficient for ~50-60 linear feet (1.5-18 linear meters)

nora® heat welding rod

Matching heat weld can be delivered for all noraplan® colors.

nora® heat welding is recommended when the nora® flooring has been installed in rooms with continual and intensive wet cleaning, in areas with stringent requirements for hygiene or other special requirements such as operating rooms and laboratories.
**nora® dry adhesives**

**nora® dryfix 750**

nora® dryfix 750 tape provides you with a safe, healthy, cost- and time-effective alternative to conventional flooring adhesives. There is no mixing or adhesive clean up necessary and it allows for immediate traffic upon completion of installation.

- Odorless
- Recommended for operating rooms
- No necessary open time required
- Can be walked on or welded immediately
- Non-flammable and freeze/thaw stable
- Free of organic solvents, formaldehyde, asbestos, lindane, rosins, plasticizers or any other volatile components
- Meets the South Coast (CA) Air Quality Management District Rule 1168

**nora® profix**

nora® profix tape is supplied in rolls for installation of nora® sanitary base and flash coving. nora profix provides the following benefits:

- Odorless
- Easy installation
- No necessary open time required
- Non-flammable and freeze/thaw stable
- Free of solvents, formaldehyde, asbestos, lindane, chlorinated biphenyls, pentachlorophenol, plasticizers or other toxic substances
- Meets the South Coast (CA) Air Quality Management District Rule 1168

**nora® wet adhesives**

**nora® AC 100**

nora® AC 100 is an easy-to-use, wet set, water based acrylic adhesive that has been specifically formulated for the installation of specific nora® rubber floor coverings (2 mm - 4 mm) on absorptive substrates.

- Excellent for heavy traffic
- Non-flammable and freeze/thaw stable
- Free of organic solvents, formaldehyde, asbestos, lindane, rosins, plasticizers or any other volatile components
- Meets the South Coast (CA) Air Quality Management District Rule 1168

**nora® ED 120**

nora® ED 120 is an easy-to-use, fiber-reinforced, wet set, conductive, water based acrylic adhesive that has been specifically formulated for the installation of specific nora® ED rubber floor coverings (2 mm - 4 mm) on absorptive substrates.

- Excellent for heavy traffic
- Non-flammable and freeze/thaw stable
- Free of organic solvents, formaldehyde, asbestos, lindane, rosins, plasticizers or any other volatile components
- Meets the South Coast (CA) Air Quality Management District Rule 1168

**nora® PU 102**

nora® PU 102 is a two-component urethane adhesive designed specifically for the installation of specific nora® rubber floor coverings on suitable substrates. When parts A & B are thoroughly mixed together they form a reactive adhesive that cures to a tough, flexible film with a good resistance to surface moisture and many chemicals.

- Non-flammable and freeze/thaw stable
- Free of organic solvents, formaldehyde, asbestos, lindane, rosins, plasticizers or any other volatile components
- Meets the South Coast (CA) Air Quality Management District Rule 1168

NOTE: Speak with your nora® Sales Representative before selecting your adhesive to confirm the suitability for your project. Please refer to the nora® Installation Guide for proper installation methods of all nora products.
nora® nTx installation materials.

nora® nTx installation materials have been developed specifically for the nora® nTx floor coverings. The perfect matching between each installation material and the nora® nTx floor coverings provides functional reliability and ensures the highest standards of quality. Moreover, all nora® nTx installation materials can be applied to subsurfaces with higher residual moisture levels.

nora® nTx 020
Surface bond enhancer

nora® nTx 020 is a 1-component Polyurethane resin surface bond enhancer for use with the nora® nTx system on absorptive and non-absorptive substrates.

- Ready to use
- Fast drying
- Alkali resistant
- Solvent free
- Ready for installation in about 1 hour
- Superior bonding to a wide range of substrates

Art. 502904
Bond enhancer for improved adhesion
2.6 gallon bottle

nora® nTx tools

Diamabrush™ Concrete Prep Plus Tool
Sanding disc for preparing substrates

Art. 502520 — 17"
Art. 502521 — 20"
Suitable sanding discs for the machines: Mambo, Columbus, and Orkan.

**nora pro clean® system**

A scrubber, nora® Pads and water is all you need.

The nora pro clean® system eliminates the need to use harsh, unfriendly cleaning detergents on your nora® premium rubber flooring. The combination of nora's unique, dense, non-porous and dirt-repellent surface, water and our exclusive nora® Pads provides a more cost-effective and sustainable cleaning solution. The continuous use of this system will make your nora flooring more resistant to scuffs and staining over time.

The key to the nora pro clean system is the nora Pads. For use only on nora rubber flooring, these exclusive pads are designed for all levels of maintenance needs, from the periodic cleaning of small spaces to the more intense post-construction cleaning.

nora Pads will take you from post-installation maintenance, enhanced shine, daily maintenance, and periodic maintenance through your toughest cleaning challenges.

**nora® pads**

nora pro clean pads are designed for post-installation, daily, periodic maintenance and enhanced shine on select nora rubber floor coverings. nora pro clean pads can be used with most standard types of cleaning equipment such as floor scrubbers and automatic floor scrubbers that are available in different sizes with 4 pads to a box.

nora pad 0 is used for post installation (depending on amount of soil), daily and periodic maintenance and enhanced shine on select nora floor coverings.

Warranty for other conditions supplied upon request.

notice of claims: To make a claim under any warranty the buyer or end user must provide written notice to nora at 9 Northeastern Blvd., Salem, NH 03079, within thirty (30) days of discovery of any alleged defect of the product. nora must be given the opportunity to inspect and examine the product.

limitation of liability: nora shall not be directly or indirectly liable for any losses, claims or damages in excess of the cost of the products invoiced by nora. nora shall not be liable for any incidental, consequential, enhanced or punitive damages. nora reserves the right to replace at no cost that portion of the products that are alleged to be defective but excluding all costs of transportation and installation. nora’s maximum liability whether in tort, contract, or otherwise shall be the cost of the products invoiced by nora.

This limited warranty and the installation and maintenance guides are subject to change. Please contact nora for the latest versions. For additional information regarding usage in recommended applications, please refer to www.nora.com/us or call 1-800-332-NORA. Warranty periods commence on the date of purchase of the product by the buyer or end user, whichever is first.

governing law; venue: The rights and obligations of the parties hereto and the interpretation, construction and effect of any provision hereof or any contract formed pursuant hereto shall be governed by and construed in accordance with the laws of the state of New Hampshire, without reference to its conflict of law rules.

Supersedes all previous information. Effective December 2018.
**nora® nTx limited warranty**

**warranty coverage:** nora systems, Inc. (“nora”), warrants nora® nTx when used in conjunction with nora® nTx 020, including the bond and resistance to moisture and/or high alkalinity for a period of (10) ten years from the date of purchase by the buyer and/or end user, whichever is first, provided all nora nTx and nora nTx storage, preparation, installation and usage directions are followed.

nora will repair or replace defective areas of the nora nTx and pay the reasonable labor and material costs to remove, repair or replace the defective areas of the nora nTx, provided the buyer or end user complies with the terms of this limited warranty. nora nTx must be applied in strict accordance with nora’s written nora® nTx Installation Guide. Please contact nora systems, Inc., for the current version or go to www.nora.com website, as it is subject to change.

EXCEPT FOR THE LIMITED WARRANTIES SET FORTH HEREIN, nora EXTENDS NO OTHER WARRANTIES OR GUARANTEES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR EXACT MATCHING OF SHADE, COLOR OR MOTTLING. nora HEREBY DISCLAIMS ANY OTHER WARRANTY OR GUARANTEE UNLESS EXPRESSLY AUTHORIZED AND ENDORSED IN WRITING AS SET FORTH BELOW.

No agent, employee or representative of nora is authorized to make any warranty or guarantee concerning the products. Any alteration, amendment or waiver of this nora nTx limited warranty must be in writing and signed by an officer of nora.

**exclusions from the warranty coverage:** nora hereby disclaims any warranty coverage arising from the following: concrete slabs that have ASR (Alkali Silica Reaction) present, hydrostatic pressure, structural failure, inadequate subfloor, or improper subfloor preparation including failure to remove any bond breaking contaminates; damages caused by Acts of God, including, but not limited to, hurricane, flooding, earthquake or other types of natural disaster, or as a result of unforeseen circumstances; acts of negligence, or product misuse or abuse, damage by a third party; failure to comply with our nora nTx Installation Guide and any other written instructions, applicable building codes and regulations, and other standard industry practices; variations of color, shade or texture from those shown on samples, product packaging or any other marketing materials; any changes due to exposure to sunlight and age, normal wear and tear resulting from usage, efflorescence and shading inherent in all cementitious products; or cracking due to structural movement after application, excessive deflection or other failure of the substrate.

**notice of claims:** To make a claim under any warranty, the buyer or end user must provide written notice to nora systems, Inc., at 9 Northeastern Blvd., Salem, NH 03079, within thirty (30) days of discovery of any alleged defect of the product. nora must be given the opportunity to inspect and examine the product prior to buyer or end user repairing or replacing the defective product.

**limitation of liability; indemnity:** nora will not be directly or indirectly liable for any other losses, claims or damages in excess of the cost of the products invoiced by nora and reasonable labor costs. nora shall not be liable for any consequential, incidental, enhanced or punitive damages whatsoever, whether arising out of breach of contract, warranty, tort, (including negligence and strict liability) or other theories of law with respect to goods and/or services sold by nora or any undertakings, acts, or omissions relating thereto, and nora hereby disclaims all such damages. Buyer shall indemnify nora against any and all losses, liabilities, damages and expenses (including, without limitation, attorneys’ fees and other costs of defense) which nora may incur as a result of any claim by buyer or others arising out of or in connection with the goods and/or services sold hereunder and based on product or service defects not proven to have been caused solely by nora’s negligence.

**governing law; venue:** The rights and obligations of the parties hereto and the interpretation, construction and effect of any provision hereof or any contract formed pursuant hereto shall be governed by and construed in accordance with the laws of the state of New Hampshire, without reference to its conflict of law rules. Supersedes all previous information. Effective August 2017.
nora® pro steamer limited warranty

Limited product warranty: nora systems, Inc. ("nora"), warrants its nora® pro steamer (the “Product”) to the original purchaser (the “Purchaser”) to be free from defects in material or workmanship for a period of one (1) year from the date of purchase from nora when used in accordance with nora’s Instruction Guide. If (i) nora is notified within the limited warranty period of any such defect as specified below and if (ii) the Purchaser has used the Product under normal use and in strict conformity with the Instruction Guide provided by nora, then nora, at its sole discretion, will use commercially reasonable efforts to repair or replace that portion of the Product found by nora to be defective in material or workmanship at no cost to the Purchaser (except for shipping and transportation costs associated with returning the Product to nora) or refund the purchase price of the Product or replace the Product or a portion of same if Product is returned to nora, freight and postage costs must be prepaid by the Purchaser. Repairs not covered by the warranty or outside the warranty period will require a fee determined by nora to cover the cost of repairs, labor, handling and shipping.

This warranty does not apply to defects, damage or loss caused in whole or in part by (i) abuse, modification, alteration, misuse or tampering of the Product, (ii) failure to strictly comply with nora’s Instruction Guide, (iii) use on any surface other than nora rubber flooring, (iv) lack of proper maintenance or (v) normal wear and tear. Repair or service of the Product by anyone other than nora systems, Inc. or its authorized representatives shall void this warranty.

EXCEPT FOR THE LIMITED WARRANTIES SET FORTH HEREIN, NORA EXTENDS NO OTHER WARRANTIES OR GUARANTEES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER OR PURCHASER. NORA SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. NORA HEREBY DISCLAIMS ANY OTHER WARRANTY OR GUARANTEE UNLESS EXPRESSLY AUTHORIZED AND ENDORSED IN WRITING AS SET FORTH BELOW.

nora’s maximum liability whether in tort, contract, or otherwise shall be the cost of the Product invoiced by nora.

No agent, employee or representative of nora is authorized to make any warranty or guarantee concerning the Product. Any alteration, amendment or waiver of this One-Year Limited Warranty must be in writing and signed by an officer of nora.

limitations of liability: nora shall not be directly or indirectly liable for any losses, claims or damages in connection with any use of nora® pro steamer(s) that does not strictly comply with nora’s Instruction Guide, that was directly or indirectly caused by a third party, that was improperly repaired, or that was affected by any other mechanical influences. Please contact nora for the latest warranty versions. For additional information, please call 1-800-332-NORA.

It is understood that certain parts of the Product are not covered by this One-Year Limited Warranty due to the fact that they require replacement after multiple use. Such parts will eventually require replacement at the Purchaser’s cost and are explicitly excluded from this warranty.

nora shall not be liable for any losses, claims, or damages in excess of the cost of the Product invoiced by nora. nora shall not be liable for any incidental, consequential, enhanced or punitive damages.

Warranty for other conditions supplied upon request.

This warranty is to solely benefit the original purchaser of the Product. The warranty is not transferable beyond the original purchaser.

nora makes no warranty or representation that the Product complies with any local laws, rules or regulations and the original purchaser shall be responsible for obtaining all permits or authorizations required by any regulatory body for installation or use of the Product.

Notice of claims: To make a claim under this One-Year Limited Warranty the original purchaser must provide written notice to nora systems, Inc. at 9 Northeastern Blvd., Salem, NH 03079, within thirty (30) days of discovery of any alleged defect of the Product. nora systems, Inc., must be given the opportunity to inspect and examine the Product.

Supersedes all previous information. Effective July 2016.
