norament® stairtreads, with a pre-shaped stair nosing, riser, and tread all-in-one piece, are a clean and enduring solution. Cost-effective for both new and renovated buildings, norament stairtreads combine design, safety and comfort for your most heavily trafficked areas. Its quality and functional properties deliver peace of mind in every step. norament stairtreads are offered in both a round and hammered surface, and are available in a sizable range of colors, with complementary accessories to give you boundless design options.

Benefits of premium norament® stairtreads include:

• Pre-shaped stair nosing, riser, and tread all-in-one piece
• 15 year limited wear warranty (exclusive of the visually impaired strips)
• Good for very heavy traffic
• Superior footfall sound absorption
• Excellent slip resistance
• Increased safety thanks to high fire-retardant properties
• No coatings needed
• Pre-sanded backs
• GREENGUARD Gold certified for Low VOC Emissions
• Part of Interface’s Carbon Neutral Floors™ program
• nora® stepfix adhesive tape allows immediate trafficking
• Visually impaired and photoluminescent inserts available

nora® rubber stair accessories are made to match norament® and noraplan® floor coverings, but can also be used in combination with other types of flooring. They are impact and shock-resistant, do not shrink, do not contain plasticizers and retain their functional reliability for years. nora rubber stair accessories are rounded off with a complementary line of supporting accessories to give you boundless design options.

nora® epoxy stair filler Art. 500875
13.5 oz dual cartridge applicator with special mixer application tip. Covesions: ~40 linear feet with a 0.25" bead.

nora® metal repair stair angle Art. 6637
Piece Length: ~3.75" (1.0 m)
Screws: middle of hole to middle of hole ~2.5" (63.5 mm)

nora® visually impaired strips
Textured or smooth striping for the visually impaired. Can be inserted into any one-piece nosing-tread-riser stair tread.

nora® stepfix
A revolutionary adhesive tape for norament® stair tread installations
Specifically developed for norament® staitreads, nora® stepfix makes installing stair treads quick, clean, and easily manageable - making them the optimum solution.
With nora stepfix, you can easily dry-fit the tread right on the covered adhesive tape, and stairs can be walked on immediately following installation. On stairs with round nosings, use nora® metal repair stair angle and/or nora® epoxy stair filler to fill the void.

Art. 907
Dimension of rolls: ~9.45" width x 164" length (240 mm x 50 m) = ~129 square feet (12 m²)
