

EMISSION CLASSIFICATION OF BUILDING MATERIALS

nora flooring systems Oy

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

norament 928 ed
norament 928 grano ed

as belonging to emission class M1 for building materials.

The classification is valid until 8.3.2020.

nora flooring systems Oy has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
