## Creating spaces to enhance the learning environment

*28th February 2019, 4pm - 7.30pm*

Join Interface for an evening panel debate hosted by Sustainability Manager, Jon Khoo, discussing the latest in design and sustainability in the higher education environment.

Learn from industry experts **Oliver Heath**, **Dr Alex Ryan** and **Professor John French**, how universities and colleges can promote student and staff wellbeing, embed sustainable practices and push boundaries in relation to campus development.

### Location:

Herringham Hall,  
Regents University,  
Inner Circle,  
London, NW1 4NS

**Complimentary food and drink will also be served.**
