

cardon children's medical center

Mesa, AZ

“The flooring ... cuts down on maintenance costs and improves indoor air quality.”

Randy Bierbaum, Project Executive,
Banner Health

Cardon Children's Medical Center is the centerpiece of a \$356 million expansion project on the Banner Desert Medical Center campus. Every patient floor in the 464,000-square-foot, seven-story facility includes a play room, nourishment center, toy closet, age-appropriate artwork, laundry room and quiet room for parents.

Challenge: Providing children and families with the comforts of home, which is critical to the healing process.

Project Requirements: Low maintenance, Improved acoustics and IAQ

Flooring Solution: noraplan environcare™, norament® serra, norament® grano

Architect/Designer: HDR, Pasadena, CA
