

| noraplan[®] eco

Lighten up your environment with all-new colours from noraplan[®] eco

nora systems introduces a refreshed noraplan[®] eco colour palette. The high performance rubber floor covering features an optimised smooth tone-in-tone granular design. Each of the new colours coordinates with other floor coverings in the noraplan[®] product line.

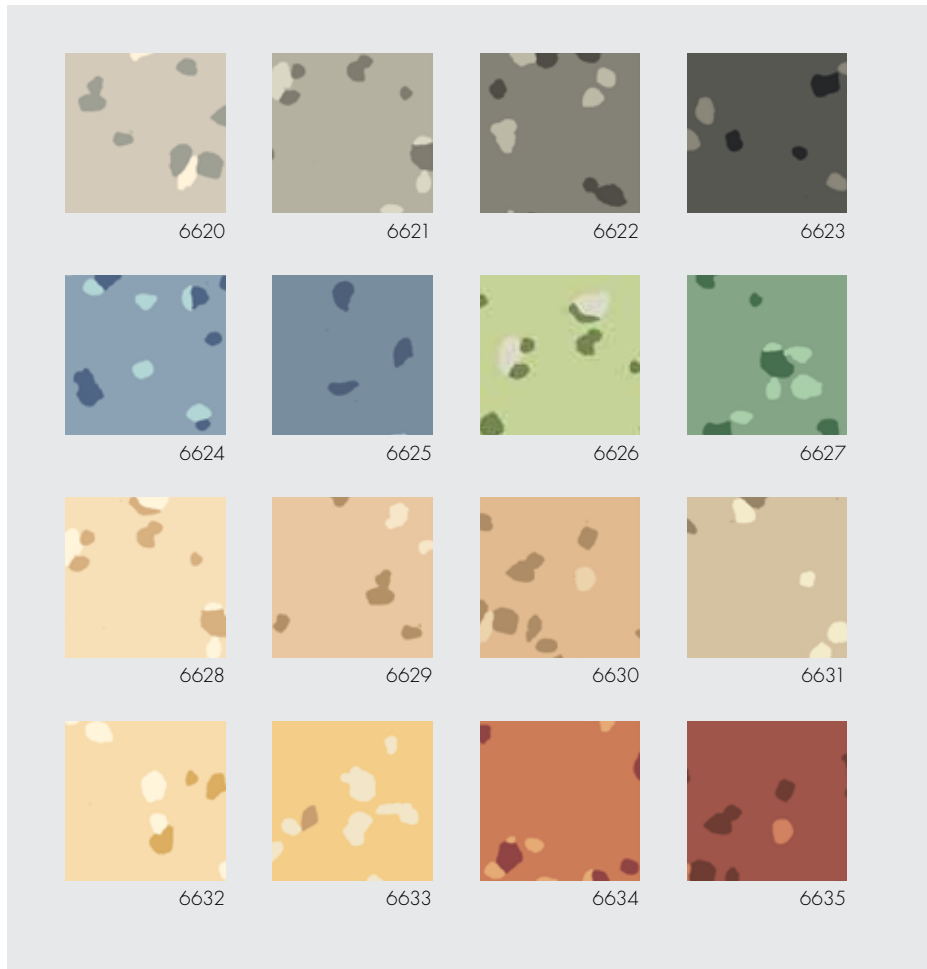

A bright solution for all applications

The noraplan[®] eco line provides an eco-friendly, economical floor covering solution for use in healthcare, education and a variety of other applications.

Advantages

- Environmentally friendly ("Blue Angel" certified)
- Excellent fire safety characteristics
- Free of PVC, plasticizers (phthalates) and halogens (e.g. chlorine)
- No need for joint-sealing or coatings
- High walking comfort
- Permanently resilient
- High footfall sound absorption
