Lighten up your environment with noraplan eco

© nora systems GmbH

The high performance rubber floor covering noraplan eco features a design with large, contrasting granules. Each of the colours coordinates with other floor coverings in the noraplan product line.

A bright solution for all applications

The noraplan eco line provides an eco-friendly, economical floor covering solution for use in healthcare, education and a variety of other applications.

Advantages

- Environmentally friendly ("Blue Angel" certified)
- Excellent fire safety characteristics (acc. to EN 13501 and DIN 53436)
- Free of PVC, phthalate plasticizers and halogens
- No need for joint-sealing or subsequent coatings
- High walking comfort
- Permanently resilient
- High footfall sound absorption
