# noraplan<sup>®</sup> stone

Redefining a classic

© nora

noraplan stone rubber floor covering is available in two surface options and a fresh, contemporary colour palette. The reflection-breaking surface is joined by a smooth alternative. Featuring a discreet, non-directional scatter design, noraplan stone combines modern style with timeless reliability.

## Market segment applications

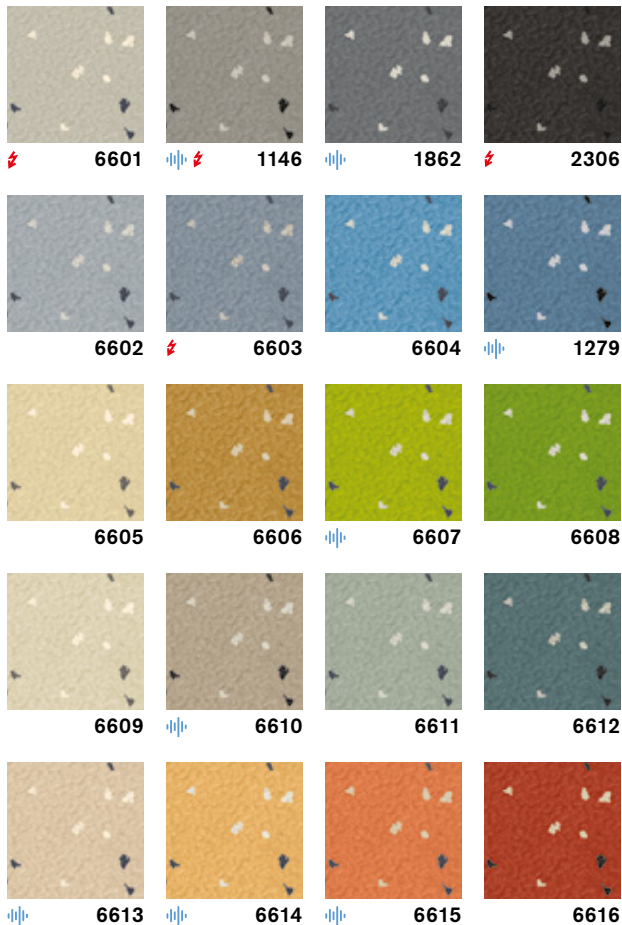

Ideal for projects requiring beauty and performance, noraplan stone is especially applicable to schools, hospitals, transportation environments and other public spaces.

## Attributes

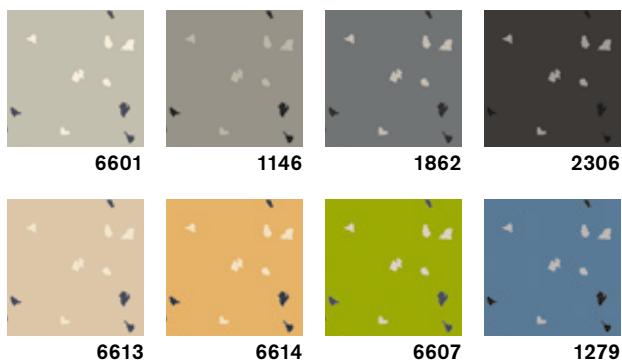

- Low emissions (Blue Angel-certified (DE-UZ 120))
- Excellent fire safety characteristics (acc. to EN 13501 and DIN 53436)
- Free of PVC, other halogenated polymers and phthalate plasticizers
- No need for welding or subsequent coatings
- Highly ergonomic for walking and standing
- Permanently resilient
- High footfall sound absorption
